Welcome to the summer edition of the High Achiever, our first newsletter of 2019, that celebrates all of the accomplishments and triumphs of our HBHS whānau. We do have much to celebrate, but as a community we must stand together with our Muslim families and send all of our love to the families of Christchurch and New Zealand who have been devastated by the terrorist attacks on the mosques that took place on Friday 15 March. There is no place for hate in our school, our community, our city and our country, and we all stand strong together with love beside our Muslim brothers and sisters. We hope you enjoy our coverage of Term 1 and all of the wonderful things that have been done by so many of our people already this year.

HBHS FOUNDATION

Connecting Old Boys with the future of HBHS

Chairman's message

With several new Trustees on board, a range of exciting fund-raising and friend-raising events, an outreach programme to connect with Old Boys in other centres and a Social Media plan aimed at growing our database, the Trust has a busy and fruitful year planned. Our goal is to grow the endowment fund to the point at which income earned from investments provides significant grants to the school for the benefit of the more than 2300 boys who are educated here. The Foundation also wishes to encourage the connection between Old Boys and their classmates as well as back to the school. For more information on how we are tracking or what our calendar of events includes please see the HBHS website.

HIGH ACHIEVER

School Newsletter

Message from the Headmaster

Dear Parents,

We come to the end of another busy, productive, and successful term, grateful, as always, for the enduring support and commitment of the families who make up our world. Grateful, too, for the positive, caring and engaged approach taken by the students and staff of the school - those people who make this a very special world for us all to share.

At our Full School Assembly on Wednesday, we celebrated the successes of Term One, and I spoke of the tangible successes which bring us joy, and a very real, and justified, sense of pride. These tangible successes are reflected in this newsletter, as they are in the trophy cabinets in our Reception foyer - symbols of our continuing achievement at the highest levels.

And I spoke, too, of the intangible, the unseen factors which also bring us much pride. The variety and breadth of our success lies at the heart of that sense of awe, which I feel when I consider our world. Students excel in the wide ranging areas of academia, culture, service, leadership, music, the arts, in fact in every endeavour which makes up our school life. Our success is wide and far reaching, and the contribution to our strength as a school comes not from a few, but from all. We are a brotherhood, standing tall as individuals, through the efforts and achievements of all.

And this sense of brotherhood, which is such a key part of our 'intangible' success, was what was also so clear during the saddest, most difficult days of the term, just as much as it was during the high points. On Page 12 of the newsletter, Omar speaks of the "Kiwi Muslim brothers" of the school, as he thanks the school for the outpouring of love for the students in our world who are Muslim.

We mourn the tragic deaths of so many in Christchurch, with these young men; we stand, united, in our understanding that we are strengthened by love, and weakened, both as individuals, and as a nation, by hatred. It is a simple, but compelling truth, and one which lies at the heart of the values we cherish.

It has been a special term, for many reasons. We must be proud of our young men, both in the tangible, their achievements, and in what they give from their hearts, the intangible - that sense of love and belonging which makes us what we are.

As we finish the term, I wish all a most happy holiday break, and a blessed Easter. Easter is a time, when, each year, we remember the importance of family, of the need to be grateful for the world we share, when we rejoice and recognise the gift of our lives together.

I finish with a quote:

"The great gift of Easter is hope - hope which makes us have confidence in goodness and love, which nothing can shake"
It says it all.

Thank you again, for your contribution to another wonderful term.

Swimming Sports Day

There was one word on everyone's mind at the 2019 Swimming Sports, and that word was hot. The ongoing run of high temperatures meant that the pool was the place to be, and our swimmers made the absolute most of a day they could spend in the water. The seniors competed during the morning, and after lunch the juniors had the opportunity to cool off as temperatures soared into the 30s. Our competitive swimmers broke four records, and in the House Competition it was the green machine, **Taylor** House, who started their account with a win in the first major event of the year. Last year's champions **Wilson** followed some distance behind in second, and **Steel** House got off to a solid start in third place. We congratulate our age group champions, and thank **Mr Jeremy Quigley** and his 12 PY class for running the day so efficiently, as well as **Mr Vaughan Johnson** for running the preliminary competition.

Athletic Sports Day

On Wednesday 27 February, HBHS made its annual trek to Porritt Stadium to contest the 2019 Athletic Sports Day in conditions that were starting to feel more than a little autumnal, particularly in the morning. The sun shone brightly on our HBHS athletes, and we congratulate our age group champions on their efforts. The Mighty (**Angyle**) House in Black™ bounced back from Swimming Sports to take a comprehensive win, but **Taylor's** solid performance means they hold the overall lead after two events. There's not a lot separating our Houses at this stage, but **Tait** has once again left themselves a lot of work to do early in the year. We thank and congratulate all of the athletes who competed so well, and thank **Mr Todd Miller** and the HPW Faculty on yet another superbly run sports day. On a final (and winning) note, the Staff Relay team has certainly sorted that baton change issue once and for all...

Scholarship 2018 Results

Every year our Academic Committee sets itself the formidable target of improving on the previous years' efforts in the New Zealand Scholarship Examinations, with 100 Scholarship passes being the dream target for some time. Last year's candidates achieved a total of 78 Scholarships, with 7 at Outstanding level. This total was enough to once again place HBHS amongst the best schools in the country in terms of results in what is the pinnacle of academic achievement for secondary school students. Our 2018 Dux, **Patrick Dowd**, was recently named as one of the 10 Premier Scholars in New Zealand on the back of his 7 Scholarships with 3 at Outstanding. Fellow Deputy Head Prefects **Sameer Mandhan** and **Nicholas Goodman** both won 6 Scholarships each, with 2 at Outstanding for **Sameer** and 1 Outstanding for **Nicholas**. Congratulations to all of our academic stars on their efforts and to all of the staff who helped them on their way.

THE RESULTS ROUND UP

This year's Tournament Week ran from Monday 25 March to Saturday 30 March and our HBHS Summer teams came away with much to celebrate. Congratulations to all of our teams on their efforts, and thank you to all of the staff, parents and supporters who helped our teams to do so well.

First up, our **Ultimate Frisbee** team headed to Taupo, hoping to improve on last year's third place at Nationals. They started very well with a 13 - 2 win over Sancta Maria College, but then let a 7 - 1 lead against Takapuna Grammar melt away to eventually lose 8 - 7. The team powered back with a 13 - 1 win over Green Bay High School and followed this with a win over the 2018 National Champions, Auckland Grammar, 8 - 6. They finished pool-play with a 9 - 3 win over Onslow College and then faced Hutt Valley High School in the all-important semi-final. Unfortunately, the team went down 10 - 8, so it was to the 3rd and 4th place play-offs once again, this time against Westlake Boys' High School. The team won 9 - 5, and we congratulate them on finishing third in New Zealand. 2020 is going to be your year, boys!

The 1st **XI Cricket** team headed to Rotorua for the NZSS Northern Region Qualifying Tournament, and began their campaign with a five-wicket win over Whangarei Boys' High School. **Rhys Kleuskens** starred, bowling 3 - 29 in the 45 wicket fixture. Next up HBHS bowled St John's College out for 94 and chased the target down with the loss of five wickets. On Wednesday HBHS set Tauranga Boys' College 219 to win, with **Jacob Parker** hitting 86 of those runs. Tauranga was bowled out for 190, putting HBHS through to the final against St Paul's Collegiate on Thursday where the weather stepped in, delaying the match. It will be played at a later date yet to be confirmed.

Our **Tennis** team headed to Christchurch for the NZSS Top 8 and had a tough run in pool play. The team lost 4 - 2 to Botany Downs Secondary School and lost by the same margin to Christ's College and St Andrew's College. This put them in the playoffs for 5th to 8th place where they faced

Scots College and won on a set countback 7 - 6 to face Christchurch Boys' High School in their final match of the tournament. HBHS won comfortably, 5 - 1, and are to be congratulated on finishing 6th in New Zealand.

The **Colts Cricket** team were in action at the NZCT Top 6 Tournament in Palmerston North where they played 40 over fixtures, and, unfortunately, began their campaign on Monday with a 30 run loss to Christchurch Boys' High School. They bounced back by bowling King's High School Dunedin out for 131, with **Angus Reeves** taking 3 wickets for 7 runs and **Nathan Feyter** hitting 52 not out. The team chased down the target in 27 overs to win by 4 wickets. On Wednesday Hutt Valley International School set our Colts 220 runs, which was too big a target as HBHS was bowled out for 118. They moved on to New Plymouth Boys' High School on Thursday who proved too strong, bowling HBHS out for 92 and chasing down the total with the loss of 3 wickets. The team's final match was against King's College. HBHS batted first and hit 159 for 7, which King's chased down without losing a wicket. This meant the team finished in 5th place overall and we congratulate them on their efforts.

HBHS sent four teams to Tauranga to contest the NZSS **3 x 3 Basketball** Championships, and our Junior A team, competing in the Elite Grade, beat Rotorua Boys' High School 14 - 11, Marlborough Boys' High School 17 - 9, Mount Maunganui College 11 - 9, Ashburton College 11 - 9 and St John's College Hamilton 17 - 16. An 11 - 7 loss to St Thomas College Christchurch put them into the play-off for 3rd and 4th against Melville High School, which they won 13 - 11 to finish 3rd overall.

The Junior B team competed in the Open Grade and beat Ashburton College 11 - 10, Tai Wananga 11 - 9, St Paul's Collegiate 16 - 11, Aquinas College 14 - 6, Fairfield College 21 - 2 and Rosmini College 17 - 12. They then went on to beat Tokoroa High School 18 - 11 in their semi-final to book a final against St Peter's School Cambridge. HBHS won the final 15 - 13 to finish 1st in their grade. Congratulations to both of our Junior teams on these excellent results.

The Senior A team competing in the Elite Grade had a tougher time, losing 19 - 16 to Long Bay College A and then losing 21 - 11

to Rotorua Boys' High School A team. They came back with a 19 - 7 win over Birkenhead College and then faced Nayland College. Their final match was in the play-off for 9th against Mount Maunganui College, which they won 19 - 17.

The Senior B team, also competing in the Elite Grade, beat Mount Maunganui College 20 - 17 and lost to Northcote College 21 - 16. They then beat Hastings Boys' High School 17 - 13 and faced Rosmini College to end up in the play-off for 9th and 10th against Pukekohe High School, which they won 21 - 9 to also finish 9th.

The HBHS A and B **Waterpolo** teams headed to the NISS Championships in Auckland, and the B team, competing in Division 2 drew 3 - 3 with St Kentigern College B, then beat Liston College A 10 - 5 and had a big 19 - 2 win over Cambridge High School. Unfortunately they went down 11 - 8 to Sacred Heart B but came back with a good 7 - 4 win over Long Bay College A to go through to a semi-final against Rosmini College A. HBHS lost by a single goal, 7 - 6, and finished their tournament with a play-off for 3rd and 4th against Scots College, which they won 7 - 3.

The A team, competing in Division 1, beat Kristin School 15 - 5 and St Patrick's College 15 - 5. A very good 11 - 8 win over Auckland Grammar followed, then a 6 - 6 draw with Tauranga Boys' College and a 9 - 4 loss to Sacred Heart College. This put them into a semi-final against Rangitoto College, which they only just lost 8 - 7, and which sent them to the play-off for 3rd and 4th against Westlake Boys' High School. The team lost this, again by a solitary goal, 9 - 8, to finish 4th.

Our Junior and Senior **Futsal** teams headed once more to Wellington to contest the NZSS Championships, and our Juniors got off to a flying start, beating New Plymouth Boys' High School 8 - 1 and Long Bay College 5 - 2. This was followed by a batch of draws against St Patrick's College, Rotorua Boys' High School and Scots College. After finishing second in their pool, the Juniors faced Wellington College in the quarter finals, winning 3 - 1. In the semi-final against St Thomas they lost by a single goal, 4 - 3, to play off for 3rd and 4th against Rongotai College. This was another nailbiter, and with the score locked at 3 - 3 they had to go to penalties. HBHS held their nerves to win the penalty shootout 3 - 1 to finish 3rd in New Zealand.

The Senior Futsal team began with a 1 - 1 draw against Tauranga Boys' College which clearly fired them up, as they went on to beat Lincoln High School 9 - 0 and then annihilate Wellington College 22 - 0. They finished top of their pool, beating Christchurch Boys' High School, and then beat Hillcrest High School 3 - 0 in the quarter-finals. The semi-final against Scots College went the same way as the Junior team, a loss by a single goal, 3 - 2, to play off for 3rd and 4th, also against Rongotai College. The Senior team was in no mood for a tight final match, finishing with a comprehensive 4 - 0 win to also finish 3rd in New Zealand. Congratulations to both teams on these results.

In **Rugby** news, our Under 15 Sevens team headed to Papamoa to contest the NISS Competition. They began with a 24 - 24 draw with Wesley College and then beat New Plymouth Boys' High School 22 - 15. Unfortunately they went down 21 - 14 to Gisborne Boys' High School and followed this with a 28 - 5 loss to Rotorua Boys' High School. This put the team into the Plate competition where they faced Wesley College once again, this time losing 17 - 5 to finish in 6th place overall.

The HBHS **Waka Ama** paddlers headed to the Blue Lakes in Rotorua for the NZSS Championships. **Zan Southon** finished in 5th place in the W1 J16 Championship final and **Tarik Jennings** won the W1 J19 Plate final. In crews racing, the J16 W6 500m crew racing in the Championship semi-final finished in 5th Place, and the J16 W6 250m crew, also racing

in the Championship semi-final, finished in 10th Place.

In **Golf** news, our team contested the Waikato Secondary Schools Golf Matchplay Championships in Te Awamutu, with **Jakob Bird** finishing in 4th place in Division 1 and **Logan Madden** winning the Division 1 Plate final. In Division 2, **Oliver Leen** finished 2nd, and in Division 3, **Anthony East** finished 1st, **Joshua Forrest** 2nd and **Todd Higgs** won the Plate final.

The HBHS **Triathlon** team headed to New Plymouth for the NZSS competition and came away with two National titles. Congratulations to the Under 14 team of **Brylie Adams** (Year 10, 400m swim), **Zane Rutland** (Year 9, 11.5km cycle) and **Liam Davis** (Year 10, 3km run) with a total time of 40 minutes and 42 seconds on their win, and to the Under 16 team of **Carlos Hardie** (Year 11 swim), **Ethan Herbert** (Year 11, cycle) and **Ethan Barton** (Year 11, run) on winning their event in 37 minutes and 42 seconds. In the tag team event, **Carlos Hardie**, **Ethan Herbert**, **Ethan Barton** and **Kallum Mardon** finished in 2nd place. All team members had

to run a relay of 450m, cycle 5km and run 1km.

At the NISS Motocross competition held in Rotorua on Friday 29th March, HBHS sent a strong team of riders and finished as the Overall Top School. Competing against 175 riders, the school results are taken from the top three riders. **Jack Dunlop** had 3 wins for 1st in 15-19 250cc, **Dylan Westgate** also had 3 wins for 1st in 12-16 85cc and, combined with **Nicholas Westgate** with 3 seconds for 2nd in 12-16 85cc, this was enough for first overall.

Finally, our Mountain Biking team headed to Wainuiomata for the NISS Championships. In the Under 14 Boys Cross Country, **Hunter Adams** finished in 5th place, and in the Under 15 Boys Cross Country **Cory Hartgill** finished in 8th place. In the Under 20 Boys Cross Country **Kypher McMorran** finished in 3rd place and the Under 16 Boys Cross Country Relay Team of **Hunter Adams**, **Cory Hartgill** and **Zane Rutland** finished in 5th place overall. In the Enduro Riding event, **Seff Curle** finished 1st in the Under 20 Age Group in a time of 16 minutes and 21 seconds to be crowned as the North Island Champion.

We Stand Together

FOR CHRISTCHURCH

On Wednesday 20 March and Friday 22 March, HBHS staff and students paid tribute to the 50 victims of the terrorist attacks on two mosques in Christchurch on Friday 15 March. We stood silent with New Zealand on Friday afternoon, and we share some of the tributes from our students along with images from our service.

*As-salaam-alaikum
Peace be unto you*

Presentation by Omar Hrem at the Commemorative Assembly on Wednesday 20 March

March 15th, 2019, one of the darkest days in New Zealand history. 50 innocent people will never return home. 31 still in hospital, 9 of them in critical condition.

The Hagley Mosque used to be a playground for me. So young not knowing what religion was. I enjoyed going to the Masjid-al-Noor in Christchurch just to see my friends. The halls we used to run through, chasing each other, bursting with happiness has now been turned into a pathway of pure evil and “a river of blood,” as one rescue worker described it.

The youngest victim, **Muaard Ibrahim**, just 3 years of age would have been filled with excitement on his way to the mosque with his older brother, not knowing it would be his last ever time. My uncle, on the other hand, was a daily visitor to the Hagley Mosque where 42 people died. But on Friday, for reasons he doesn't himself understand, he went to the Linwood Mosque. This decision was the difference between life and death.

Every day, as the faces of new victims are revealed, I realise that I have lost someone else I once knew. As the killer entered the mosque, the first words he heard were “hello brother,” a worshipper welcoming him into the mosque. This shows how much love was there. A man with 2 guns on him, dressed like an armed offender welcomed in with open arms.

Stories have come out about a few of the victims being heroes. All 50 victims are heroes. Let's not let the sacrifice of these victims go to waste. Let's come together as

Top: HBHS students and staff perform the Haka for our Muslim students. Below: Mohamed Eid leads HBHS in prayer to honour those who were lost in Christchurch.

Kiwis and be there for one another. Let's fight this evil with good and not let the actions of one idiot determine how we live.

On behalf of the Boys' High Muslim community, I would like to thank **Mr Miller**, **Mr Cowley** and the Mormon brothers for hosting us on Monday night. To the Headmaster, **Mrs Hassall**, and the Executive team for comforting us on Monday morning and letting us know that they stand with us.

To **Miss Becht**, **Mr Horne**, **Mrs Ross**, **Mrs Bower**, **Mr Coyle**, and **Dr Williams**, we appreciate you all. To the brothers in the Senior Volleyball team much love and thanks for your beautiful song outside the masjid. We would like to offer our special

thanks to **Ms Shah** and **Mr Killian** for their continued support. It has been amazing to see so many new faces at the mosque, from gang members to priests to **Simon Bridges**, the leader of the National Party, even the Waikato Chiefs. Thank you to everyone who has messaged us and shown us love. It has been beautiful how everyone has come together, although I wish it was for a different reason.

It is an honour and a privilege to call New Zealand home. So from the Kiwi Muslim brothers I thank all you Kiwi brothers for looking after us, supporting us, and living together with us, in peace, in this beautiful country.

Staff Special

MISS GRACE GOES TO ISRAEL

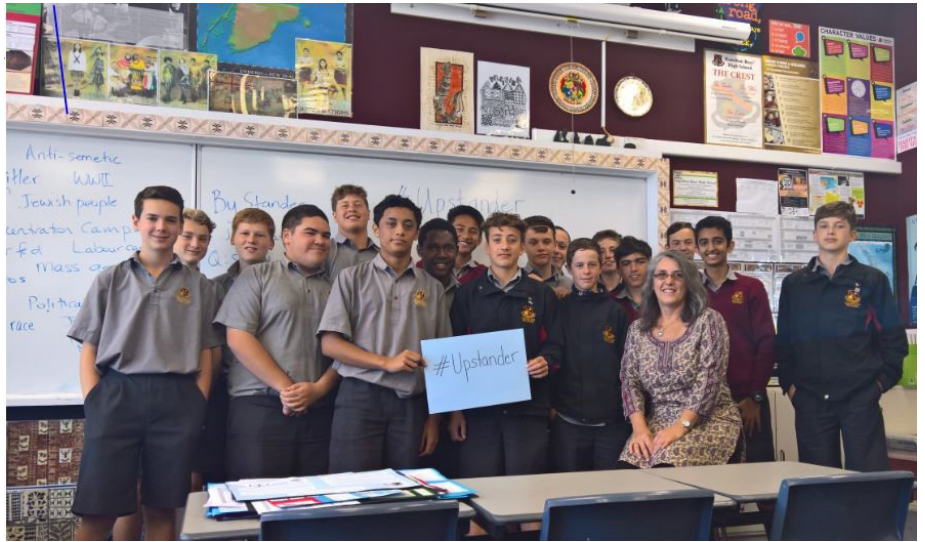

In January this year, staff member **Miss Phillipa Grace** travelled to Israel for a 21 day seminar at Yad Vashem. This is the International centre for Holocaust studies in Jerusalem. As the teacher in charge of the History department at HBHS, this experience was incredibly useful and will see many students benefit from the knowledge gained from over 100 hours of lectures from internationally recognised facilitators. Alongside this, the experience saw **Miss Grace** visit a number of significant historical places that were literally straight out of the pages of the Bible. She also visited the Jerusalem Museum, the Hall of Independence in Tel Aviv, the Palmach (Defence Force) Museum and a Ghetto Fighters Museum.

A key learning experience for **Miss Grace** was the way that the Yad Vashem Holocaust Museum presented and commemorated aspects of the Holocaust, and the way that seminars encouraged teachers to deliver the lessons from the Holocaust to students in classes of the 21st Century. In light of the recent events in Christchurch, the lessons of tolerance, inclusion and belonging for all that can be shown to students when exploring the historical context of the Holocaust particularly resonates and seems highly relevant.

Miss Grace gained the scholarship to attend by applying through the New Zealand Holocaust Centre in Wellington. They take up to 30 New Zealand facilitators on this seminar every two years. Another key focus for them is the '#Upstander' campaign, which is aimed at encouraging students to stand up to bullying and intolerance. Students are encouraged not to be 'bystanders' and to speak up when they see negative behaviour. This programme is a natural extension of the teaching of the Holocaust and the intolerance and racism shown to the Jewish people in Nazi Germany.

Miss Grace encourages any teacher to apply for this experience as it was life changing in ways that reach beyond its use in the classroom. She would also like to invite students and other staff to ask questions and discuss this experience as she is eager to share her new knowledge and experiences

– particularly if it helps encourage people to and anti-bullying.

Results Round Up

TERM 1 RESULTS

We begin our first results round-up of the year by going back in time to 2018 in order to celebrate the National titles won by our Sevens teams and our Touch team in December. Our Touch team beat Rotorua Boys' High School 8 - 4 in the final, and **Te Aonui Wharawhara-Muriwai, Sonny Te Hira, Noah Hotham, Anthony Sinclair, Taha Kemara** and **Guy Lansdown** were named in the Tournament team. **Anthony Sinclair** was named Most Valuable Player of the Tournament. This winning streak has continued in 2019, with the team winning pretty much every competition they have entered, including most recently the Waikato Men's Touch Module.

HBHS has a very strong team of Motocross riders, and they started their year in fine style. In Round 1 of the NZ 85cc Supercross Championship **Nicholas Westgate** finished 1st and **Dylan Westgate** 2nd. Unfortunately, they could not attend the South Island round for championship contention. In the Summercross (annual stand-alone motocross event) **Yanni Emerson-Rae** finished 11th in the 12-14 125cc, **Dylan Westgate** was 2nd and **Nick Westgate** 3rd in the 14-16 85cc, and **Jack Dunlop** finished 2nd in 15-16 125cc. In the Woodville GP (annual stand-alone motocross event) **Yanni Emerson-Rae** finished 8th in the 12-14 125cc, **Jack Dunlop** was 1st in the 15-16 125cc and 9th in the Senior 125cc, **Dylan Westgate** was 1st and **Nick Westgate** 3rd in the 14-16 85cc. The Motocross team also won the Tauranga Teams Trophy from a field of over 300 riders. In breaking news, the team has won the King Country teams event.

The 1st XI Cricket team got straight to business at the beginning of the year, notching up another Super 8 title. In ferociously hot conditions, our relatively young 1st XI team put away a much more experienced Tauranga Boys' College unit in a very tight final, with captain **Kristian Clarke** leading the way with bat and ball. This was the 7th Super 8 title in a row for our cricket team, which is an extraordinary winning streak.

On a scorching hot Valentine's Day, 24 students took part in the annual school championships at St Andrews Golf Course.

Logan Madden (Year 13) led the way with the best score of 75 followed closely by 2019 Golf Captain **Dominic Letford** (Year 13) who shot 76. **Jakob Bird** (Year 10) proved to be the best Junior golfer in the school shooting 90.

The HBHS Super 8 Tennis team of **Anton Shepp, Liam Barry, Max Stephens** and **Jordan Taylor** took out the Super 8 title, dropping only two matches across the entire tournament.

Pool Play:

V New Plymouth Boys' High School won 6-0

V Napier Boys' High School won 5-1

Semi-Final:

V Tauranga Boys' College won 4-1

FINAL:

V New Plymouth Boys' High School won 4-0.

HBHS completely dominated at the Waikato Secondary Schools Tennis competition, with **Jack McGregor** winning the Junior Boys Singles, **Brook Witehira** and **Ben Parker** finishing 2nd in the Junior Boys Doubles, with **Jacob Kilgour** and **Quinn Boyle** behind them in 3rd place. In the Intermediate Boys Singles it was all HBHS, with **Liam Barry** 1st, **Max Stephens** 2nd and **Lachie Ross** 3rd. This continued in the Intermediate Boys Doubles, with **Jordan Caie** and **Max Chow** finishing 1st, **Henry Elia-Cameron** and **Travis Palmer** 2nd and **Kitt Douglas** and **Gus Nelson** in 3rd place. Finally, in the Senior Boys Singles, **Jordan Taylor** finished in 2nd place.

Clay Target Shooting has gone from strength to strength at HBHS, and **Andrew Wilson** (Year 12) has led the way. **Andrew** was selected for the New Zealand Junior (Under 21) team on the back of a very strong performance at the New Zealand Open National Championships held in Hamilton. He won the Junior Single Rise trophy after shooting 173 targets in a row without missing, completing a long run of 272 targets without missing. **Nat Aitchison** (Year 12) won the Open B-grade single barrel event shooting 49/50 targets with one shot. **Andrew** was also a member of the 3 person Junior North Island team which beat the South Island Juniors, and has been selected to compete for New Zealand at the Oceania DTL Championships later this year in May.

Our Senior Debating team fell just short of the Waikato Secondary Schools final, losing to St John's College in a very competitive semi-final. Deputy Head Prefect

Henry Yao was named as reserve for the Waikato team, and his fellow Deputy **Joseph Licht** was highly commended for his efforts.

The HBHS Athletics team came away from the Waikato Bay of Plenty Athletics Championships, held at Porritt Stadium, with 9 gold, 8 silver and 7 bronze medals. Highlights included **Ty Hilton** taking out the sprint double, winning 2 gold medals in the Senior Boys 100 and 200m, with a near-record time in the longer distance. **Joseph Morgan** won gold in the Intermediate Boys 1500m and a silver in the 800m, **Liam McKee** also won gold in the 300m Hurdles and silver in the 400m, and **Caelys-Paul Putoko** won gold in the Junior Boys 100m and, along with **Boaz King** and **Jahmal Enright**, gold in the 4 x 100m relay.

In Triathlon news, **Fergus Washington-Smith** was placed 3rd in the Under 19 individual race at the Waikato Bay of Plenty Championships. Our teams performed strongly, with the Under 14 team of **Brylie Adams, Zane Rutland** and **Liam Davis** finishing 1st and **Josh Baker, Nikau Pritchard-Scouller** and **Quinn Boyle** finishing behind them in 2nd place. In the Under 19 event, **Ashe Wainui-Mackie, Fergus Washington-Smith** and **Will Swales** finished 1st and were followed by **Jaxyn Mihaka, Drew Christensen** and **Marshall Forrester**.

Finally, congratulations must go to **Hiriwa-Haki Johnson** (Year 13), **Reupene Renata** (Year 13) and **Ieremia Ieremia** (Year 12) on making the New Zealand Under 19 Gridiron team. The team will travel to Australia to compete later this year, and we wish them every success. Kia kaha, boys.

During Term 1 the HBHS Service Committee has been hard at work, organising the Blood Drive and the gully restoration. Recently a group of HBHS volunteers has gone beyond the boundaries of the school and ventured out into the community. These boys helped set up events and activities at the Waikato Show, and also assisted with marshalling the visitors.
